SUNRAYS PHARMACEUTICALS - OPHTHALMIC DIVISION

Established in 2011, Sunrays Pharmaceuticals has built a solid reputation for quality, dependability, and innovation in eye care solutions.

Our Philosophy

Quality is the foundation of better vision. We are committed to maintaining the highest global standards (WHO-GMP, ISO 13485) across our manufacturing partnerships to support successful surgical outcomes.

Why Healthcare Providers Trust Us

- Over 15 years of deep industry experience in ophthalmics.
- WHO-GMP compliant production lines and rigorous sterility assurance.
- Robust distribution chain guaranteeing timely delivery and zero surgical delays.
- Strict quality control from raw materials to final shipping inspections.
